

GETTING to the POINT

A MESSAGE FROM FIVE POINTS WASHINGTON

Thanks for picking up and reading another edition of "Getting to the Point". In this edition we want to introduce you to our guest writer, Travis Olson, Theater Manager at Five Points.

Just like seasons change, sometimes employees do as well! I'm Travis Olson and I'm the new Theater Manager at Five Points. I joined Five Points as the Theater Events Manager in July 2021. I also work in the Washington High School Theater Department and have for many years. In addition to working with the high school theater program, I have also worked with all the local community theaters and did a brief residency at a professional theater. Transitioning to Five Points was a great opportunity for me and I hope to use my experience to serve you well.

We are excited to announced that the "Live at Five Points Show Series" will return this year and we can't wait to share the details. After searching high and low to bring the community diverse entertainment options we have decided to bring in 6 fantastic shows we hope you and your family will enjoy. The 2022-2023 Show Series lineup will be revealed soon but first, we need your help! Please stay tuned to the Live at Five Points Facebook page at the end of May. Each Tuesday we will be dropping clues to announce the acts/shows performing this season and all we need is for you to take a guess. If you guess correctly, your name will be entered-to-win a pair of tickets to the entire season (value over \$300). From comedians, to acrobats, to country artists...this season will be one you don't want to miss!

In addition to the show series, we have a variety of events in May and June. In May you can browse, shop, and eat at the "Spring it On" outdoor market. We will also be hosting the Peoria Area Civic Choral, Central Illinois Ballet, and the Heartland Festival Orchestra this month. Five Points is also hosting two charity events: Kickball Tournament benefiting Breast Cancer Research in May and the Charity Bike Ride for St. Jude in June. Five Points Fridays will also be back this year with the first event on May 13th. For more information on any of these events please visit our website, fivepointswashington.org.

We hope to see you soon,
Travis Olson-Theater Manager

This concert Benefits Art, Inc

Our season finale is rich with beauty and romance. American violinist Melissa White has enchanted audiences and critics around the world as both a soloist and a chamber musician. Her recent performance with the National Philharmonic was deemed "absolutely breathtaking" and was praised for the "grace, precision and warmth" of her playing. Melissa interprets Samuel Barber's Violin Concerto - a work famed for both its lyricism and astonishing technical demands. George Walker's Lyric for Strings belongs with Barber's masterwork among the greatest classics to have come from America in the 20th Century. Dvorak's joyful Eight Symphony will conclude our concert and season in triumph. **For tickets call: 309-339-3943 or visit heartlandfestivalorchestra.org**

A HUGE THANK YOU TO OUR AMAZING SPONSORS!!

Washington Community Bank is looking forward to this Spring and Summer and the activities around town that come with it! Having grown up in Washington, bank employees Brad Mahony and Matt Moehle have fond memories of attending Good Neighbor Days and playing Summer baseball on our town's diamonds. Now they take advantage of the opportunities to give back, as the bank will again be a major sponsor of Good Neighbor Days, as well as coaching and sponsoring our youth baseball and softball teams. You'll see their poster in Five Points' lobby as a major sponsor, and you can stop out to see them at 1895 Washington Road (across from Taco Bell) for all of your banking needs!
